CAL 41-1-1-

Francisco Sanchez Adobe

REPRESENTED IN
NEGATIVE FILE

H.A.B.S. SURVEY NO.

Cal-156

History - Location of an 1780 out-
post of the Mission Dolores of SanPUBLISHED
PHOTOGRAPHSFrancisco. A two-story Adobe was started in
1842 on previous building foundations. WoodPUBLISHED
DRAWINGSadditions with Mexican and Victorian details
were added in 1890. The additions existed in
1938 when the building was measured and photo-
graphed for HABS, and have been reproduced
and shown. San Mateo County restored the

FN-48(3)

(over)

building in 1953 to its present condition, altered for museum purposes.

Description - The existing structure is 22 x 64 feet surrounded by a balcony and loggia beneath 6 feet wide. Adobe walls 3 feet wide on the first floor. Modern wood trim differs in details from earlier work as shown. Wood shingle roof.
